COMMISSIONER OF PATENTS AND TRADEMARKS  
Box Non-Fee Amendment  
Washington, DC 20231

Dear Sir:

In response to the Office Action dated April 9, 2002 please enter the following amendments and remarks of record.

**AMENDMENTS**

1. In the claims:

Please enter the amendments to Claims 1 and 8 as set forth herein.

1        1. (Twice Amended) A cutting head assembly comprising:  
2            a cutting head including a first set of returns [adjustably opposing] and a  
3        second set of returns, the first set of returns adjustably opposing the second set of  
4        returns;  
5            a cutting member formed of a strip of material including a first end, a second  
6        end[,] and a width, the cutting member including a serpentine configuration, the  
7        cutting member positioned about the first set of returns[,] and the second set of  
8        returns the [tensionable] cutting member extending across an aperture formed  
9        through the cutting head, the first end and the second end of the cutting member  
10      secured to the cutting head; and
